for many going back to the land brings to mind the 1960s and 1970s hippie communes and the summer of love the whole earth catalog and mother earth news more recently the movement has reemerged in a new enthusiasm for locally produced food and more sustainable energy paths but these latest back to the landers are part of a much larger story americans have been dreaming of returning to the land ever since they started to leave it in back to the land dona brown explores the history of this recurring impulse back to the landers have often been viewed as nostalgic escapists or romantic nature lovers but their own words reveal a more complex story in such projects as gustav stickley s craftsman farms frank lloyd wright s broadacre city and helen and scott nearing s quest for the good life brown finds that the return to the farm has meant less a going backwards than a going forwards a way to meet the challenges of the modern era progressive reformers pushed for homesteading to help impoverished workers get out of unhealthy urban slums depression era back to the landers wary of the centralizing power of the new deal embraced a new third way politics of decentralism and regionalism later still the movement merged with environmentalism to understand americans response to these back to the land ideas brown turns to the fan letters of ordinary readers retired teachers and overworked clerks recent immigrants and single women in seeking their rural roots brown argues americans have striven above all for the independence and self sufficiency they associate with the agrarian ideal best books for general audiences selected by the american association of school librarians

how has american literature after postmodernism responded to the digital age drawing on insights from contemporary media theory this is the first book to explore the explosion of new media technologies as an animating context for contemporary american literature casey michael henry examines the intertwining histories of new media forms since the 1970s and literary postmodernism and its aftermath from william gaddis s j r and bret easton ellis s american psycho through to david foster wallace s infinite jest through these histories the book charts the ways in which print based postmodern writing at first resisted new mass media forms and ultimately came to respond to them

today we think of canada as a compassionate open country to which refugees from other countries have always been welcome however between the years 1933 and 1948 when the jews of europe were looking for a place of refuge from nazi persecution canada refused to offer aid let alone sanctuary to those in fear for their lives rigorously documented and brilliantly researched none is too many tells the story of canada s response to the plight of european jews during the nazi era and its immediate aftermath exploring why and how canada turned its back and hardened its heart against the entry of jewish refugees recounting a shameful period in canadian history irving abella and harold troper trace the origins and

results of canadian immigration policies towards jews and conclusively demonstrate that the forces against admitting them were pervasive and rooted in antisemitism first published in 1983 none is too many has become one of the most significant books ever published in canada this fortieth anniversary edition celebrates the book s ongoing impact on public discourse generating debate on ethics and morality in government the workings of canadian immigration and refugee policy the responsibility of bystanders righting historical wrongs and the historian as witness above all the reader is asked what kind of canada do we want to be this new anniversary edition features a foreword by richard menkis on the impact the book made when it was first published and an afterword by david koffman explaining why the book remains critical today
